

CEO - Greg Hribar

Greg Hribar is a seasoned services veteran with over 20 years of experience in managing P&L operations for software/services organizations. Prior to Kwivira, Greg served as the Vice President of Consulting Services for Managed Objects, an enterprise network and system management company primarily serving the Fortune 500. Preceding his position at Managed Objects, he was the Director of Professional Services at Boole and Babbage which was acquired by BMC Software in 1999 and prior to that, he served as one of the founders of MAXM Systems, where he was responsible for running the HR and Finance groups and oversaw the company's outsourcing and western regional sales operations as well.

Greg holds a B.S.in Human Resource Management from Miami University and an MBA from Loyola University Maryland.
